Fall Expo

This year's Fall Expo will be held on September 27th at 6:30pm in the Gagetown School Gym.

The Expo is a chance for groups to showcase their activities to members of the community. This will also provide an opportunity to recruit new members.

The Expo will be held in conjunction with the school's welcome back BBQ/meet the teacher night. We hope to provide the community with a chance to see just what Gagetown has to offer, not only for the children, but adults as well.

Cow Milking Contest

Congratulations to Ms. Evans for once again winning the cow milking contest at the opening of the Queens County Fair.

Leadership Program

This year all middle level students will be participating in a Leadership Program. The goal of the class is to promote and develop leadership skills with all of our middle level students. As part of this program we will now have a group of ML students act as playground monitors on the K-5 playground during recess. The students beginning their duties this week are Jade, Emma, Alyssa, Dalton and Amber. All students will be given the opportunity to participate in this and other leadership positions throughout the year. The class meets the first Tuesday of each month to focus on leadership and develop ways to continue improving Gagetown School.
